

Principal Educator Announcement South Middle Campus

It gives me great pleasure to announce the appointment of Jesse Classen as the Principal Educator at the South Middle Campus beginning August 2021. Jesse joined FFCA as a high school teacher in 2006 and has worked as an Associate Principal for the last 5 years at the High School and South Middle School Campus. Jesse holds a

Bachelor's Degree in Education specializing in Secondary Physics and Mathematics from the University of Alberta. He has also completed graduate work in Educational Technology from the University of Calgary and the Educational Administration and Leadership program at the University of New Brunswick.

Jesse shares the following thought on taking on this new role: *“Serving the SMS community for the last four years as their Associate Principal has been a rewarding and heart-filling experience. I am honored and excited to serve in this new role and look forward to continuing to work in partnership with our community.”*

We are extremely pleased that Jesse has accepted this new challenge.
