New Principal for Northeast Elementary Campus

(Calgary, Alberta – April 11, 2019)

Foundations for the Future Charter Academy is pleased to announce that Ms. Krista Lee has been appointed as Principal Educator of its Northeast Elementary campus in Calgary, effective as of the beginning of the 2019-20 school year. Ms. Lee has served as the Associate Principal and Learning Support teacher at the campus for the past ten years during which time she has “built incredibly strong relationships with staff, students and the community,” notes Superintendent Roger Nippard. “Her professional expertise in English as a Second Language, role in building an exemplary campus culture focused on kindness and character, emphasis on success for each student and overall passion for promoting the learning of everyone in the school community were some of the attributes that stood out for us as we move Ms. Lee into this new role.”

Ms. Lee joined Foundations for the Future Charter Academy in 2001 and previously taught in British Columbia and internationally. She is an alumnus of the University of Calgary and notes “FFCA is a unique place. I am grateful for the opportunity to continue working alongside the staff, students and parents of Northeast Elementary campus.”

FFCA is Alberta’s largest public charter school serving approximately 3400 students within the city of Calgary.
