

**Acting Associate Principal Announcement  
Southwest Elementary Campus**

It gives me great pleasure to announce the appointment of Pauline Miller as the acting Associate Principal at the Southwest Elementary Campus for the 2019-2020 school year.

Pauline joined FFCA in 1997 and has a broad range of experience teaching at the elementary and middle level. She currently teaches Grade 1 at the Southwest Elementary. Pauline holds a Bachelor's Degree in Secondary Education from the University of Alberta and will complete her Master's in Educational Leadership and Administration in June 2019 from Gonzaga University.

Pauline shares the following thought on taking on this new role: *"Just as FFCA has, I have evolved and matured considerably since our humble beginnings. I am grateful for the culture of caring, learning, and leadership that has encouraged me on this epic learning adventure. It is with a sense of awe and hope that I look forward to*

*servicing the SWE community."*

We are extremely pleased that Pauline has accepted this new challenge.
