

Coordinator of Instruction Announcement Central Office

It gives me great pleasure to announce the secondment of Justin Kool as the Coordinator of Instruction at Central Office. Mr. Kool has been Principal Educator at South Middle School campus since 2013. He started as a teacher with FFCA in 2000.

He has also served as Principal Educator at our Southwest Elementary and Associate Principal at our High School campus. Justin holds a Bachelor's Degree in Education from the University of British Columbia and a Master's Degree in Leadership from the University of Calgary.

Justin shares the following thought on taking on this secondment at Central Office: "I am very appreciative to be able to take on this new role. Joan and Lorne's work during their time in these roles is beyond exemplary and, during this unusual time, a rock for our organization. I genuinely have huge shoes to fill. Over my years at FFCA, I have had a chance to work with many staff, teachers, and administrators in many different capacities. In this new position, I am excited to learn, support and work alongside those that I have had the opportunity to get to know and those who I get to know better within the FFCA community."

We are extremely pleased that Justin has accepted this new challenge.
