

**Associate Principal Announcement
Northwest Elementary Campus**

It gives me great pleasure to announce the appointment of Michelle Newell as Associate Principal at the Northwest Elementary School Campus for the 2020-2021 school year.

Michelle joined FFCA in 2008 teaching Math and Science at SMS. She has been teaching Science and Chemistry at the High School Campus since 2016. She has served as the Science Department Coordinator, and this year returned to coaching volleyball. Michelle holds a Bachelor's Degree in Education from Acadia University. She is currently completing her Master's in Secondary Science Education and Curriculum from the University of Alberta.

Michelle shares the following thought on taking on this new role: "I have enjoyed teaching at SMS and HSC for the past 10 years and am excited to join FFCA's leadership team. I look forward to working with Mrs. Drummond, the staff, and families of NWE."

We are extremely pleased that Michelle has accepted this new challenge.

Kurtis Leinweber, Chief Operations Officer
