

Principal Educator Announcement
NEE Campus

It gives me great pleasure to announce the appointment of John Deines as the Principal Educator at the Northeast Elementary Campus. John has served as the Principal

Educator at North Middle School Campus since 2016. Prior to that he served as the Coordinator of Instruction and an Associate Principal at North Middle and High School campuses, and also taught at South Middle School. John holds a Bachelor's Degree in Education from the University of Calgary and a Master's Degree in Instructional Performance and Technology from Boise State University.

John shares the following thought on taking on this role, "It's been an amazing experience working at the North Middle School. As a member of the original group that opened up NMS, I'm so proud of what we've accomplished! Thanks to all North Middle staff, students and parents for everything you've done for us. And now I feel so excited to have a new opportunity - working with the NEE community! I can't wait to get started. See you soon!"

We are extremely pleased that John has accepted this new challenge.
